GPO has a New Face Online

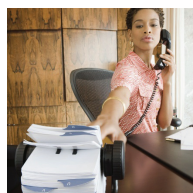

In efforts to maintain consistency with President Obama's transparency initiatives, the GPO has launched a new website to help customers feel more comfortable navigating through our products and services. The site includes new videos, sustainability initiatives, and the best value training in around. To find The Institute, just log on to www.gpo.gov/customers/institute.

New Secure Inbox

Did you know that the Institute can securely accept electronic payments?

You can rest easy knowing that your payment information is safely stored in our secure inbox. Only our payment specialists have access to this inbox. Not only does this give our students peace of mind, electronic payment enables prompt payment for training. Send you electronic payment to theinstitute@gpo.gov (formerly ifpep-registrar@gpo.gov).

Join the Mailing List

Many of our students don't realize they can keep up with all the new training courses, tips and tricks to create outstanding files for print and web, FREE seminars and Open Houses we're hosting by joining our mailing list. It's QUICK and EASY. To add yourself, log on to <http://listserv.access.gpo.gov> and follow the prompts to join the mailing list. All federal employees and contractors are welcome.
